

Ulcerative Colitis Patient Education Resources

Meet the Program Chair

David T. Rubin, MD
University of Chicago Medical Center
Chicago, Illinois
Project Chair

David T. Rubin, MD, is co-director of the Inflammatory Bowel Disease Center and an associate professor of medicine, department of medicine, at the University of Chicago in Chicago, Illinois. His clinical practice is based at the Reva and David Logan Center for Inflammatory Bowel Disease. Dr. Rubin is a member of the American Gastroenterological Association and serves as chair of professional education for the Crohn's & Colitis Foundation of America (CCFA).

An avid researcher, Dr. Rubin's interests include clinical outcomes of inflammatory bowel disease, colon cancer screening and prevention, teaching medicine, and clinical medical ethics. He is currently the principal investigator for several research projects and clinical trials involving wireless capsule endoscopy in IBD, measures of inflammation and cancer risk, and novel technologies for disease monitoring. Dr. Rubin has contributed numerous peer-reviewed publications, book chapters, review articles and abstracts to the medical literature.

Dr. Rubin earned his doctor of medicine degree with honors from the University of Chicago Pritzker School of Medicine. He completed a residency in internal medicine and fellowships in gastroenterology and clinical medical ethics at the University of Chicago, where he was chief resident and chief fellow. Dr. Rubin is board certified in internal medicine and gastroenterology.
